

The Turtle Lipogram Story

For this challenge, you are being asked to rewrite the following sentence without using the letter **E**. In doing so, repeat this mantra over and over until you have it etched in your heads: *Synonyms, synonyms, synonyms or descriptive phrases!*

The green turtle laughed with a tremendously exhilarating chortle as they cast a worried glance at their best friend, the snake, fearful their friend would think less of them because of their untimely eruption.

Good luck, my turtle-loving friends!
