

What **Do You Think?**

1. How many words can you think of that have the word *car* in them? For example, **cartoon** has *car* in it, and so does **carpet**.

2. How many words can you think of that are spelled the same forwards and backwards? For example, **Mom** spelled backwards is **Mom**, and **Dad** spelled backwards is **Dad**.

3. How many words can you think of that have exactly five syllables? For example, **elementary** can be broken up into these syllables **El - e - men - ta - ry**.

4. Can you write a story that has these six words in it: **broccoli**, **toothpaste**, **violin**, **earwax**, and **Mr. Arnold**.
